Contracts

Each merchant must contract with Concord. Concord must also receive a Schedule 1 for each merchant. Each merchant must receive a copy of the Addendum A as it is referenced in the Concord contract.

Application Process

The Schedule 1 includes the FNS number from the Food and Nutrition Services group, which is part of the U.S. Department of Agriculture. Concord adds the FNS number to the merchant's profile. Concord requires three business days from the date Concord receives the contract rider and Schedule 1 to the time the merchant can go live on EBT. EFunds implemented the FNS REDE file system, which accesses the FNS' file of valid FNS numbers before authorizing the transaction. Before the merchant can go live on EBT, the merchant must verify with the regional FNS office that the merchant's FNS number appears on the REDE file. The FNS office phone number for all counties in Nebraska is (402) 437-5268.

Card Usage in Other States

Nebraska is a part of Quest, so Nebraska EBT cards can be accepted in all other Quest states. To accept the Nebraska EBT card in non-Quest states, Nebraska must be specifically requested on the merchant's Schedule 1.

Adjustments

At this time, there is no clear answer on whether or not the U.S. Department of Agriculture will allow adjustments on Food Stamp accounts to be processed for the state of Nebraska. Adjustments may be made to Food Stamp accounts if they are in favor of the Cardholder/Client, but not the Retailer. Also, adjustments to Cash Benefit accounts are permitted in favor of either the Cardholder/Client or the Retailer.
