Contracts

Each merchant must contract with CONCORD. CONCORD must also receive a Schedule 1 from each merchant.

Application Process

The Schedule 1 includes the FNS number from the Food and Nutrition Service, which is part of the U.S. Department of Agriculture. CONCORD adds the FNS number to the merchant's profile. CONCORD requires three business days from the date CONCORD receives the contract rider and Schedule 1 to the time the merchant can go live on EBT. EFunds implemented the FNS REDE file system, which accesses the FNS' file of valid FNS numbers before authorizing the transaction. Before the merchant can go live on EBT, the merchant must verify with the regional FNS office that the merchant's FNS number appears on the REDE file. The FNS office number for all counties in South Carolina is (803) 765-5717.

Card Usage in Other States

To accept South Carolina cards in other states, the merchant must indicate on the Schedule 1 that they would like to accept South Carolina cards.

Adjustments

At this time, there is no clear answer on whether or not the U.S. Department of Agriculture will allow adjustments on Food Stamp accounts to be processed for the state of South Carolina. Adjustments may be made to Food Stamp accounts if they are in favor of the Cardholder/Client, but not the Retailer.
